Dear Ms. Wall:

Attached, please find an amended Schedule H2 for the August Monthly Report (7/1/96-7/31/96) and an Amended Schedule H2 for the September Monthly Report (8/1/96-8/31/96) showing the event date and the effective date of the ratio change.

Also, attached, please find an amended Schedule B supporting Line 23M for the August Monthly Report (7/1/96-7/31/96) and an amended Schedule B supporting Line 23M for the September Monthly Report (8/1/96-8/31/96) clarifying that each disbursement itemized was an inkind contribution. However, since this Committee has consistently filed Line 23 showing direct contributions and Line 23M (memo entries) listing inkind contributions; each individual inkind contribution has not been so marked.

- Your letter stated that you would like clarification for expenditures made for "Media Placement" itemized on Schedule H4 of the August Monthly Report (7/1/96-7/31/96). I have enclosed a copy of Schedule H4 as filed with the Commission in August 1996. As you can see, there are no entries that have "Media Placement" as their description.

- Your letter also stated that the Committee should clarify disbursements itemized with the description "Meeting Expense." After reviewing CFR 104.3(b)(3), we believe that this description, which the NRCC has consistently used for at least the last ten years, does qualify as an acceptable description in the same vein as "Travel Expenses," and therefore, no further description need be provided.
